

Camping Weekend '09

For the last 3 years, 20-25 adults and children, connected in some way with hope:আশা – the Salvation Army in Stepney, attended a weekend of camping and fun over the August Bank holiday weekend. We've enjoyed ourselves so much that we have decided to go again this year and we'd love it if you were interested in joining us. Here are the details:

Date: Friday 28 – Monday 31 August (for those who wish it is possible to arrive on Saturday 29 August or even just travel up for the day)

Where: Manston, Kent (approx. 1½ hours travel away). It is a quiet spot near the beach and countryside and within easy reach of bigger beach resorts (Broadstairs, Ramsgate and Margate). The camp-site will have showers, toilets and other facilities (reviews from campers very good!) Take a look at the website for more info: <http://www.manston-park.co.uk>

Cost: The cost is £60 per tent (for 3 nights) + food, travel etc.

Practicalities:

- We have access to camping equipment such as tents, cookers, sleeping bags etc for those who don't own their own equipment but would like to come.
- We have tents with more than one 'room' that can be shared by people coming on their own – this would half the cost for individuals.
- Travel arrangements and car-sharing can be organised.
- If you would like to come but feel you can't afford the whole amount, The Salvation Army has got access to some money that could contribute towards your cost. Please let us know – we would love you to come!
- Children can only attend with their parent/guardian

To book your place please fill in the details below and provide a deposit of £10. Further information from Nick or Kerry Coke, telephone: 020 7791 2861.
